Dear Sir:

Applicant believes that the Examiner's stated reasons for allowance are unnecessary. The record as a whole makes clear the reasons for allowance. A statement by the Examiner is not necessary or warranted. While the applicant agrees that the claims are allowable, the applicant does not acquiesce in the stated reasons for allowance, nor that patentability required each stated feature as expressed by the Examiner.

Please charge Deposit Account No. 50-2115 for any additional fees which may be required.

Respectfully submitted,

Karen Dana Oster
